Mobile Reporting von Studierenden zu Klimawandel und Nachhaltigkeit in Salzburg

In der Reihe beschäftigen sich Studierende des Fachbereichs Kommunikationswissenschaft an der Universität Salzburg als „Mobile Reporters“ mit dem dringlichen Thema des Klimawandels und einer nachhaltigen Entwicklung. In Kooperation mit dem Forschungsprojekt *Räume kultureller Demokratie* und im Rahmen der Lehrveranstaltung von Elke Zobl haben die Studierenden im Studienjahr 2020/21 Selbstexperimente und Interviews mit verschiedenen Initiativen durchgeführt und in Kooperation mit FS1 dreizehn Beiträge produziert. Diese wurden auch bei FS1 ausgestrahlt und sind online abrufbar. Die Studierenden hatten auch die Möglichkeit, an Workshops mit der Dossier Academy (Wien) zu Recherchekompetenz und Digital Storytelling, organisiert von der Lehrredaktion der Radiofabrik, teilzunehmen.

Folgende Beiträge wurden von den Studierenden im Zeitraum von Oktober 2020 bis Februar 2021 gestaltet:

Selbstversuche im Kontext von Nachhaltigkeit

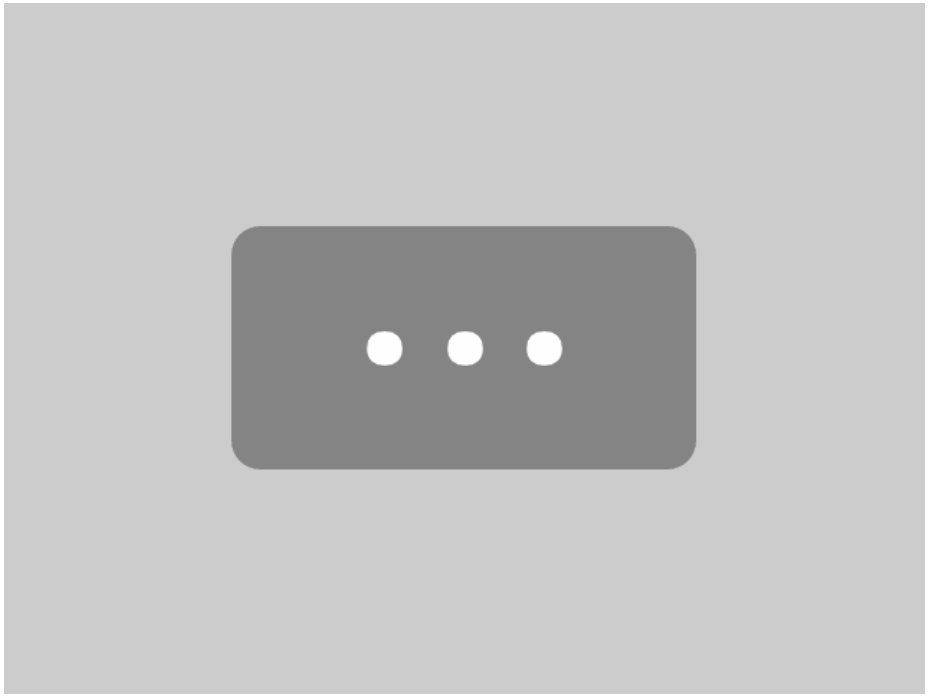

Lena Auzinger und Andrea Schernthaner: Selbstversuch 9 Tage vegan
